ABOUT CHAIRMAN

Bluemart is the brainchild of Mr. Muhammed Basheer, Founder and Chairman of the Group. Under his visionary leadership, Bluemart has been rapidly progressing towards becoming one of the leading players in the Supermarket, Hypermarket, Fine Dining Restaurant, and Food Chain sectors in the UAE. After completing his education in India and gaining extensive experience with the reputed Jumeirah Group, Mr. Basheer was inspired by the strong and business-friendly environment created by the Rulers of the United Arab Emirates. This led to the launch of Bluemart's first operation in 2009, starting with a single supermarket. Today, the Group owns and operates multiple branches across the UAE, achieving an annual turnover of approximately AED 210 million, with continued growth and expansion strongly projected.
